

LEONURUS

Clinical Herbalism - Plant Medicine
Patient Information and Health History

The mission of LEONURUS is to work in partnership with clients to regain health and balance in the body, through clinical herbalism and plant medicine.

As the client, I understand:

- Methods or treatments may include, but are not limited to, herbal tinctures, herbal teas, homeopathic remedies, flower and crystal essence remedies, topically applied herbal preparations, acupuncture, and counseling (nutritional and/or emotional).
- If the treatment seems contraindicated or inappropriate, the practitioner may not continue treatment or refer me to the appropriate modality. Conversely, I have the right to consent to or refuse any of the recommended treatments
- That although reasonable precautions will be taken, I am undergoing treatments at my own risk. No guarantee can be made of a successful result or cure.
- Anything discussed in the clinic will be confidential, with the exception of information revealed about children being abused or intended damage to persons or property. The practitioner is legally responsible to report such information to the proper authorities
- The herbs and nutritional recommendations I receive are from plant and mineral sources and are traditionally considered safe in the practice of Western Herbal Medicine. I understand the same herbs may be inappropriate during pregnancy and will inform my practitioner immediately of pregnancy status.
- I must inform my practitioner of any major past or current health issues, such as: a carrier of any infectious agents, pregnancy status, fit, faint or other odd detached sensations, a pacemaker or any other electrical implants, damaged heart valves or have any other particular risk of infection, a bleeding disorder; consumption of anti-coagulants (blood thinners) or any other medication.
- The fees for my treatments are not covered under OHIP and must be covered in full by myself or through third party insurance:
 - Initial consultation and treatment — \$75
 - Follow-up treatment — \$50
 - Herbal remedies and nutritional supplement fees are as follows:
 - 100ml tincture (1 week): \$20
 - 250ml tincture (2 week): \$40
 - 500ml tincture (4 week): \$60
 - 100g medicinal tea (2 week): \$15
 - Community Herbal Consultation - (Fees include 50 grams of Medicinal Tea)
- I will pay the full charge of any missed or forgotten appointments that are without 24-hour notice of cancellation.

I have discussed the content of this form with my practitioner. I acknowledge that I have asked any questions I may have and received answers I understand. By signing this form, I give my informed consent for Clinical Therapeutic Herbalism.
